MEMORANDUM FOR: The Director

SUBJECT : Allocation of Effort in the Preparation
of Estimative Products

Per your request at this morning's Executive Committee meeting, attached is a rundown showing how the workload on "estimative products" has been spread around the Community during the first year of the NIO's existence -- 1 November 1973 to 31 October 1974. Under the rubric of "estimative products," I have included NIEs, NIAMs and Interagency Intelligence Memoranda prepared under the aegis of the NIOs as well as the CANUS and MC-161 exercises. In addition to this summary, I attach a listing of NIOs and Assistants with their assignments prior to joining the NIOs. 25X1
